IN-WATER DISPLAY GUIDELINES

Progressive Miami
International Boat Show
February 14 - 18, 2019
Miami Marine Stadium Park & Basin
at Virginia Key

IN-WATER DISPLAY GUIDELINES

FREIGHT RULES

- ◆ There is a maximum freight allowance of 1,000 pounds for every 10'x 40' float*
- ◆ There is a maximum freight allowance of 500 pounds for every 10'x20' float*
- ◆ Tents with glass walls will be calculated into your display weight and will further restrict your display weight limits
- ◆ Exhibitors must provide NMMA a layout of the in-water display for approval, and a freight manifest prior to receiving and unloading crates

CRATE WEIGHT LIMITS AND DELIVERY PROCESS

- ◆ There is a maximum 750 pound crate weight limit. (Includes contents and crate combined).
- ◆ If any crate and content exceeds 750lbs, it must be broken down to the 750lb weight limit. A breakdown and handling fee of \$95.00 per every 100lbs pounds over will be applied.
- ◆ Crates will be delivered three units at a time. Once emptied they will need to be tagged and picked up before any remaining crates are delivered.
- ◆ All crates will need to be tagged with empty stickers and off the docks by Tuesday, February 12th 2pm.
- ◆ Freight returned unused and for storage during the show, will be assessed a handling fee.

**Examples: A 40'x40' reception area can accommodate a maximum of 4,000 lbs. of freight. A 20'x20' reception area can accommodate a maximum of 1,000 lbs. of freight. (Standard Tent without Glass Walls)*

For any questions about your display, crate sizes and freight capacity please contact Scott Cohen at scohen@nmma.org or (954) 441-3242.
